

CAMPUS Asia Plus EEST Reunion Symposium

- Open Forum: Progress & Activity Report -

Connecting Asia to the World. International networks and STEM research led by 4-university collaboration.

Graduate students from Kyushu University and partner universities (Shanghai Jiao Tong, Pusan National, and Universiti Teknologi Malaysia) share achievements gained through Double Degree (DD) programs and various program activities.

PARTICIPATING COLLABORATED UNIVERSITIES

Kyushu University | Shanghai Jiao Tong University | Pusan National University |
Universiti Teknologi Malaysia

Sharing Insights from Education & Collaboration in Asia

Language:
English

As the culmination of the "CAMPUS Asia Plus EEST Program," we are hosting a report session featuring diverse achievements from DD graduate students and program participants. The morning session is an open forum accessible to those outside the university.
