## ○ **Lighting in Presentation Room and Instruments**

Room A (C-cube 1F)

There are the six light switches in behind of the hall.

Initial: All of switch [ON], Presentation: Front half of the stage side [OFF (right side x3)]

There is a mike for presenter and are two wireless mikes for questioner.

Room B (C-cube 303)

There are front side light switches (front of the room) and behind side light switches (rear entrance) in the room.

Initial: All of switch [ON], Presentation: Front side light switch [OFF]

There are two wireless mikes.

Room C (C-cube 301)

There are light switches at the entrance.

There is no mike because the size of room 301 is small.
