APPLICATION PROCEDURES FOR ADMISSION
TO THE PART-TIME PHD PROGRAM FOR WORKING PEOPLE
OF THE INTERDISCIPLINARY GRADUATE SCHOOL OF
ENGINEERING SCIENCES
KYUSHU UNIVERSITY

**Screening of International Working People for Admission to the Graduate School
in October , 2020**

March 2020

INTERDISCIPLINARY GRADUATE SCHOOL OF ENGINEERING SCIENCES
KYUSHU UNIVERSITY

1. Introduction

2020 Guidelines for Application Submissions to the Part-time PhD Program for Working People

The Interdisciplinary Graduate School of Engineering Sciences (IGSES) at Kyushu University offers several educational course programs for PhD students, including the Part-time PhD Program for Working People.

The Part-time PhD Program can be ideal for those looking to gain a PhD without leaving employment and develop their careers while they continue working.

Applicants are required to read carefully this set of guidelines and the IGSES website before application submission. If you would like to apply to other doctoral programs, please refer to the IGSES website for specific instructions.

2. Overview of admission schedule

Applicants should find and contact the supervisor as a first step of admission procedures.

Applicants are strongly encouraged to submit their applications as early as possible to allow our office and potential supervisors' sufficient time to consider the submitted documents.

In the event that documents submitted do not meet this guideline, our office will ask the applicant to submit other materials or modify the documents. If applicants cannot submit all of the required documents by the submission deadline, the application will be automatically rejected regardless of completion of the submission.

10. How to find a research supervisor

List of IGSES faculty members as potential research supervisors

- The IGSES website gives a list of IGSES faculty members who are open to accepting international students.
- The list contains the professors' names, their research areas, URL of their laboratories, potential themes for PhD research, and preferred method contact with applicants.
- Please carefully read the list and select a professor under whom you would like to conduct your PhD research.
- You should extensively prepare and research the activities of your chosen professor. Most professors and their research groups have detailed websites and extensive publication lists. Multi-post email requests are not encouraged.
- Please remember that IGSES professors are enthusiastic in welcoming excellent applicants. Based on the submitted documents or your email contact, professors will assess whether an applicant possesses sufficient academic ability, such as a basic knowledge of their chosen research area, strong ability for self-learning, excellent communication and presentation skills, as well as strong motivation to undertake doctoral level research.

11. Miscellaneous

- Documents that you submit will not be returned and the screening fee is non-refundable. No changes will be accepted regarding the contents of the documents after you have submitted them.
- The University provides consultation for applicants with disabilities who may require special arrangements during the entrance examinations or in classes after enrollment. Please contact the Student Affairs Division at the address given below prior to the application process as soon as possible as it sometimes takes extra time to decide on the arrangements depending on the situation.
- Please contact the Student Affairs Department at the address given below for any question concerning admission procedures.

12. Handling of personnel information

- The personal information on the application documents will be used for the admission screening and the following purposes.
 - Address, name and other personal information of successful applicant will be used for enrollment procedure.
 - The personal information used for the admission screening such as your grades and other personal information will be utilized anonymously for research and study related to the admission screening of this graduate school.
- The personal information on the application documents will not be provided to any third party or used for any purposes other than above without obtaining prior consent from the actual applicant, with the exception of the case stipulated in the Article 9 of the Act on the Protection of Personal Information Held by Independent Administrative Agencies.
- Refer to the following web page regarding other handling of personal information.
